

Dear UFTHA Member,

It's that time again! It is time to renew your membership with The Utah Fox Trotting Horse Association for 2011. There will be a variety of exciting events for the coming year and we know that you'll want to be part of them!

Your family membership not only helps promote the Missouri Foxtrotter Breed in Utah and across the West, it gives you the following benefits:

- Quarterly Newsletter to keep up to date on UFTHA Activities.  
(Newsletters are through e mail unless request is made for a postal copy)
- Invitations to special UFTHA events (trail rides, pack trips, clinics, shows, etc.)
- Free placement of ads in the newsletter and on web site.
- Great Web Site complete with Stallion listings!
- Member Handbook and Stallion Guide.
- Plus the friendship and association with fellow fox trotter owners.

Hope to hear from you soon! We look forward to another great year of activities and events!
